LCMS WORLD MISSION STAFF - Feb. 1-14 *Approximately 75 people make up the LCMS World Mission staff, which supports national and international missionaries, LCMS military chaplains, and the mission and outreach efforts of the LCMS.*

Remember the LCMS World Mission staff as you pray:

1. for Interim Executive Director Tom Zehnder. Ask God to continually enable and equip him to provide leadership for mission work in the LCMS and the *Ablaze!* movement.

2. for the International Mission Team as they provide guidance for mission work throughout the world where LCMS mission personnel serve and/or projects are funded. Ask for God's guidance for Associate Executive Director Dave Birner, Director Kama Bernabo, the team's assistant, Sharon Whitlock, and deployed Regional Directors Mike Rodewald, John Mehl, Brent Smith, and Jorge Groh in their international areas of ministry.

3. for the National Mission Team, which includes North American specialized ministries such as blind missions, deaf missions, campus and international student ministries, and multiethnic ministries. It also works in the areas of urban ministry, outreach, and revitalization. Pray for Associate Executive Director Bob Scudieri and his staff, David Born, Tom Eggold, Bonnie Green, Sandi Green, Tina Kassebaum, Sandy Kohlmeier, Yohannes Mengsteab, Scott Snow, Terry Tieman, and Al Tormoehlen as they provide mission services to congregations and districts in North America.

4. for the staff of Ministry to the Armed Forces, including Director Mark

Schreiber, Assistant Director Eric Erkkinen, and Nancy Rowley. May these three continue to encourage and support LCMS military chaplains in all they do.

4. for the variety of technical services performed by staff in Finance Services, which includes Director Ross Stroh, Michelle Otten, and Pat Pinson. Give thanks to God for the important tasks performed by these staff members and lift them up as they continue to steward God's financial provision to LCMS World Mission.

5. for the Recruitment Services unit, which includes Director Ron Scherch and Erin Alter, Susan Collins, Jennifer Mustard, Cindy O'Neal, Ken Reiner, Travis Torblaa, Julie Wahlig, and Bruce Wall. Ask the Lord to bless these staff members as they recruit and support LCMS missionaries.

6. for members of the Communication Services unit, Director Stacey Welcenbach, Rudy Blank, Kristy Grannis, Wayne Meyer, Debbie Mirly, Elizabeth Mowery, and Ron Nelson. Pray that the Lord would bless their efforts to communicate effectively about the many wonderful things He is doing around the world.

7. for the Administrative Services Team, including Associate Executive Director Kurt Buchholz, Mary Jackson, and Sabrina Outlaw. Thank God for the essential administrative support that these faithful workers provide.

8. for the Development Services unit, led by Associate Executive Director Jeff Craig-Meyer, and including: Crissy Bosworth, Jane Cauchon, Debbie Feenstra, Autumn Harrison, Vicki Helling, Rick Holtz, Julie Loehring, Patty Mainer, Jackie Peterson, Kathleen Rall, Leah Sieveking, and Gary Thies.

9. also for the principal gifts officers of Development Services—Ed Bertram, Terry Biesboer, Peter Brinkman, Randy Fauser, Len Fiedler, Heather Groerich, Bill Lapp, Mike Linebrink, and Ron Meyer.

10. for the consultants helping to direct and raise funds for the *Fan into Flame* campaign—the campaign to raise financial support for specific projects and efforts that will contribute towards the *Ablaze!* movement. Consulting staff include campaign Director John O'Gorman, Steve Manno, Peter Black, Andrea Essling, Jason Fox, and Tony Perino.

11. for David Mahsman, also on the LCMS World Mission Lead Team, and Karen Schrader, Tani Berner, and Marcia Wheeler, as they support the work of the executive director to further the spread of the Gospel.

12. for Dan Mattson, associate executive director of missional education. Ask that God would continue to bless him with wisdom and discernment as he guides others in learning more about God's mission.

13. for the 2009 all-staff retreat, which will be held in early March. Pray that the retreat would encourage, equip, and refresh the staff, in order that they might better serve the Lord of the Harvest, LCMS missionaries, and LCMS members.

14. for members of the Board for Mission Services, as they direct LCMS World Mission and hold the staff accountable for their work. Ask the Holy Spirit to provide these dedicated mission leaders with continued discernment and passion for carrying out the Great Commission.

KAZAKHSTAN - Feb. 15-28 *The Lutheran Church—Missouri Synod began work in Kazakhstan in 1993. Currently, the Gospel is being taught and preached in four languages in Kazakhstan. The goals of the LCMS mission in Kazakhstan include church planting and leadership development*

Remember the Lord's work in Kazakhstan as you pray:

15. for David, Rachel, Julia, Timothy, and Daniel Baker as they continue to faithfully serve in Kazakhstan. Their work includes overseeing the LCMS' humanitarian work in the country and working with the local partner church, the ELC. Pray for them, as they meet new friends and families, and share their stories and His story with them.

16. for Marat, Amy, and Amanzhol Kashenov, who also serve in Kazakhstan. Amy oversees translation of ministry materials and literature for the ELC, helps coordinate various humanitarian outreach activities, traveling to many villages for home visits. Marat serves as a neurosurgeon at a local government hospital. Pray for them, as they share aid for both physical and spiritual needs.

17. for Phil, Kerri, Jacob, Benjamin, and Esther Schielke, as they serve in Kazakhstan for Phil's vicarage fulfillment. Pray for them as they learn the Russian language and assist LCMS personnel with outreach, administrative, and social programs.

18. for the Kazakhstani staff members of the LCMS office in Almaty and the crucial administrative support they provide. Translation, accounting, record-keeping, and immigration documentation are only some of the tasks that they manage.

19. for the nation of Kazakhstan in the often-tenuous peace that followed Soviet occupation. Ask the Lord to provide conditions that will allow the Gospel to be clearly proclaimed and demonstrated. Pray for continued peace and harmony between the ethnic groups, and that all groups might find true peace and harmony through a saving faith in Him.

20. for wisdom for the president and government of Kazakhstan, as they deliberate upon the proposed religious law under consideration in Kazakhstan, which would impede the efforts of LCMS workers and national congregations. Pray that the relative freedom of religion in the country would be maintained, allow-

ing for worship and ministry to continue and grow.

21. for the people of diverse Kazakhstan. At least 65 people groups live there and more than half of the population is ethnically Kazakhstani. Pray for the work of the translation program, which provides God's Word and other Christian literature to the ELC and all Christians in Kazakhstan, in Russian and Kazakh, so that every one can hear of God's love in their heart language.

22. for the Christian believers, as well as all seekers, in Kazakhstan, that they might be encouraged by the Word, and joyfully gather to worship the Lord. Pray for new study and worship groups that have recently formed in various villages, that obstacles to an easy and smooth formation of those groups would be removed.

23. with thanks for a recent visit by ELC workers to a new village, where the deacon was warmly welcomed. Praise the Lord that the following week, the host families and some of their neighbors attended two worship services, a Sunday school teacher for the many children was identified, and the deacon was invited to please come and help form a group in the village.

24. for the Feed My Lambs humanitarian aid outreach program, sponsored by LCMS World Relief and Human Care. Through this food package distribution program, homes and hearts of over 500 people have been opened in the past six months. Pray that continued contact with these families will lead to a deeper understanding of the Love that motivates the often unexpected and very needed help.

25. for the ongoing work of the health professionals and humanitarian outreach workers who serve through the mobile medical trailer. This dental and medical program has provided healing to thousands of Kazakhstanis, and offered as many opportunities to share the motivation for such Love in Word and

deed with unreached Kazakhstani people.

26. for Kazakhstani people, especially children, who have special needs, and have been overlooked by society and the government. Pray that their physical and spiritual needs and need can be provided for through LCMS-sponsored social and outreach programs.

27. for ongoing leadership development and theological education efforts, especially the further development of a distance pastoral training program through Central Asian Lutheran Seminary (CALs), in Almaty, Kazakhstan. Pray for the ELC workers and LCMS personnel as they prepare DVD format theological materials. The development of local leaders for the fellowship groups, congregations, and the national church is a key part of LCMS strategy in Kazakhstan. Also, give thanks for the local pastors and deacons who have already graduated from this seminary.

28. with thanks for the mission involvement and partnership of Lutheran Heritage Foundation, Lutheran Hour Ministries, Concordia Seminary, St. Louis, Mo., Bethesda Lutheran Homes and Services, LCMS World Relief and Human Care, Concordia Mission Society, and Orphan Grain Train in Kazakhstan. Each organization brings unique services and benefits to the God's work there.
